Your weekly guide to life at

Kingsway Infant School

Where learning is fun!

A message from Mrs Knights

Thank you for attending our Coronation Celebrations last week - a quick downpour didn't dampen the children's enjoyment! It was wonderful to see children from both schools singing together - our children made us so proud! This week in Reception, the children have been obsessed with minibeasts, year 1 have weighing items in the classroom and year 2 have been busy planting seeds and watching to see if their beans grow. Such an exciting and interesting week! I wish you all a restful weekend!

Head Teacher's Award

Izabele, **Honey**, **Lennon**, **Jax**, **Charlotte** and **Anya** in **Orange** for their fantastic writing

Well done!

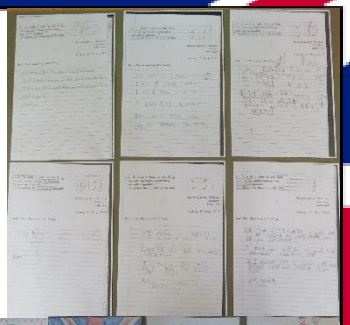
This week, Reception have been learning all about spiders. We have been on a spider hunt around the school grounds looking to see if we can spot any. We have used our creative skills to make spiders and spiders webs. We even had a visit from a friendly jumping spider.

In Maths, we have been comparing amounts to find the difference as well as recognising and ordering numbers to 20 and beyond.

In year 2, we started our topic on Megastructures. When looking at various ways to describe them, we came up with amazing vocabulary, such as, breath-taking, unimaginable and humongous. We also continue our topic of plants, where we have been observing the growth of our runner beans and cress!

This week Year 1 went on a trip to Africa. Our main destination was the African Savannah. We got to know what animals inhabit the Savannah, what they eat and what habits they have. In Maths, we learned about weighing and using weights. We also learned how to share equally into two groups. We are proud of ourselves because we know what the remainder means.

All the children spent some time writing letters, cards or postcards to our new Monarch, King Charles III. We will post them next week and hope to get a response from Buckingham Palace.



STARS OF THE WEEK

Jax	Elena
Georgia	Freya
Faye	Robert

Breakfast Club Star of the Week
