Deputy Headteacher Awards

Red – Savannah, N'Shaun, Noah and Lucas for great teamwork in PE

In year 2 this week they talked about the continent of Africa. They talked about what we already know and found out some new facts. Did you know there are over 1.1 billion people living in Africa?

They created art based on traditional African patterns. They used bright colours and geometric patterns to decorate their homes and materials. I think their art work is amazing. What do you think?

Year 1 have been learning how to follow a set of instructions. Today they made fruit kababs. They had to follow instructions from the teacher to see if they could make a 'terrible tusk' from the book they are reading in English.

In Science, they have been learning about day and night and shadows. They talked about what countries are sleeping while we are awake. Ask your child how they used blankets and torches to recreate day and night on a globe.

Reception have been learning about senses. They had a smelling activity where things were hidden in the pots and they had to describe what it smells like and guess what it might be.

In Maths, they have been looking at numbers 1-10. They ordered our muddled number line.

In PE, they did a fitness circuit 3 exercises, running on the spot, star jumps, burpees, each for 1 minutes. They talked about changes that happens to our body when we do exercise. They talked about how it makes us feel when we do exercise.
