

4th April 2025

Welcome to the end of the Spring Term! Firstly, I would like to thank all of our parents and carers for their support. Our children deserve congratulations for their hard work this term and my thanks also goes to the amazing team of Staff and Governors at Kingsway who make this a great school for children to learn and grow. I would like to wish you all Happy Easter and hope that the sun continues to shine. I look forward to seeing you all next term on Tuesday 22nd April at 8:45am.

Head Teacher's Award

Izabele in Green

for writing her own story

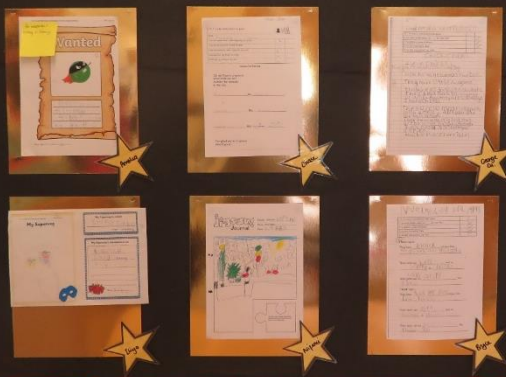

Well done!

**Year 2** This week in D&T, we ended our learning about healthy balanced diets, food hygiene and food safety. We prepared ingredients for a wrap and then taste tested them. We had to ensure they matched the design brief we were given. In Geography, we concluded our learning on 'Magical Mapping' by following a map during our walk of the local area.

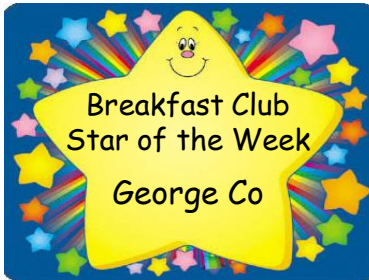

**Reception** In Literacy, we read "Supertato" by Sue Hendra. We used our phonics skills to create wanted posters for the mischievous Evil Pea. This fun activity allowed us to practise our writing while also sparking our creativity. We also wrote a list of superpowers for Supertato and even tried our hand at designing our very own super vegetables! In Maths, we have been busy developing our problem-solving skills by exploring a variety of strategies to tackle number problems. We have been using manipulatives to help visualise numbers, counting on with the aid of a number line, and applying our subitising knowledge to spot patterns quickly. We have also been working with tens frames, which offer a handy tool for organising numbers.

# YOU MAKE US PROUD

WELL DONE to all the children who made it onto our 'You Make Us Proud' board.
