

A message from Mrs Knights

Welcome to our weekly newsletter. It has been another great week in school. - 'walk to school week'! The children have loved sharing news of what wildlife they saw on the way to school and have enjoyed receiving the stickers.

Well done, Kingsway!
Wishing you all a relaxing weekend - hopefully the sun will stay shining!

Head Teacher's Award

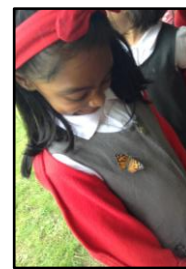

Albie in purple and Gracy in Red for lovely writing.

Mila, Finley G, Jack in Yellow for their art work in D&T.

Well done!

This week in Year 1, we have been looking at non-fiction texts about rainforest animals and created a fact file about them. In Maths, we were learning about repeated addition and started to explore the language of multiplication. If I have six groups of two apples, how many apples do I have in total? In Design and Technology, we created our dioramas, which are models representing a scene. We thought and planned carefully what we will need to create the best habitat for our animals. They are looking fabulous.

This week, Year 2 have continued their learning about megastructures. We designed, made and evaluated our own megastructure. We also learnt about an architect called Antoni Gaudi. We decorated buildings to look like Gaudi's designs.

This week in Reception, we have been learning all about snails. We have learnt lots of interesting facts. Did you know that snails have lots of teeth and use these to eat certain rocks and limestone or a snail has one foot. We read the book "The Snail Trail" after we took our snails on their own adventure and wrote about where they went. Today we released our butterflies, watching them as they hunted for flowers.
