Dear Parent or Carer

Happy new year to everyone and I hope you managed to stay well during the festive season.

Thank you to those families who have kept us updated of positive cases within their household. We know we have a few children and families currently isolating and hope to see them safely back in school soon.

We are not expecting to make any major changes to what we were doing before the Christmas break as we had already reinforced our good practices. We will continue to ask staff to test twice a week and restrict visitors to a minimum. Where visits are essential we will ask for them to show evidence of a negative Lateral Flow Test and wear a mask before entering the school.

We will continue to teach in our bubbles and continue with our reminders for good hygiene, ventilation etc.

Please support us by:

1. Not sending your child to school if they have any symptoms
2. Wearing a mask on the school grounds (unless you are medically exempt)
3. Maintain social distancing with staff and other families
4. Follow the most recent isolation guidance (which has changed even as I write!)
5. In the event of an outbreak, where there are positive cases within your household we may suggest siblings also remain at home to prevent further spread

Thank you all for your continuing support. Looking forward to a brilliant Spring Term.

Kind regards

Caroline T-Walmsley
