

A message from Mrs Knights

Reading has inspired so much of our learning in school this week: Reception have been reading 'Handa's Surprise' and have all created their own version of the story and year 2 have been writing their own version of 'Rapunzel'. I had a wonderful time visiting Year 1 for their fashion shows inspired by Vivian Westwood! We are looking forward to our 'One World Week' celebrations next week and would love any visits from parents and families to talk about their heritage, childhood or to show an artifact. Wishing you all an enjoyable weekend.

Reception We have immersed ourselves in the vibrant world of African animals, inspired by the story "Handa's Surprise". We have had great fun spotting the cheeky animals that stole fruit from Handa's basket. We also discovered that Africa has goats, just like us, in Europe. In Maths, we have been exploring the magnitude of numbers. We have been keen observers of our number system, noticing how each number increases by 1 each time. This helps us to have a deeper understanding of how numbers relate to one another and how they can be ordered.

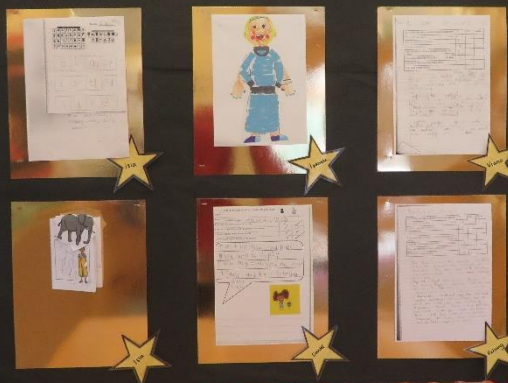

Year 2 This week we have been busy writing a sequel to Bethan Woollvin's version of Rapunzel. We started by planning our ideas, thinking about the setting, characters, events and ending. Once all of our ideas were down, we wrote the narrative. We worked really hard, making sure we included noun phrases, speech, powerful verbs and conjunctions in our writing! We also continued our learning about animation. Using the I-Pads, we took a series of pictures that acted as frames. Between each picture we slightly moved objects. When these were pieced together, our animation came to life!

In English, we have been reading a story called 'Ruby's Worry'. We identified what a feeling is and how can we help others and ourselves when we are worried. We wrote a message to Ruby to make her happy again. In Design and Technology, we have been learning about a famous designer, Vivienne Westwood. We cut out a model out of card and then planned and designed our clothes using different colours and types of fabric. We took our model down a real catwalk with music.

YOU MAKE US PROUD

WELL DONE to all the children who made it onto our 'You Make Us Proud' board.
