Where learning is fun!

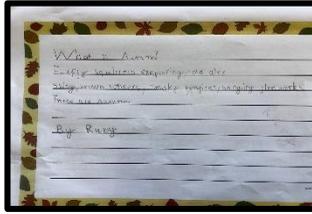

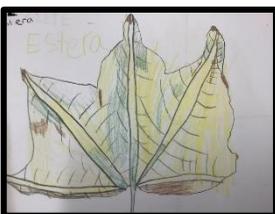

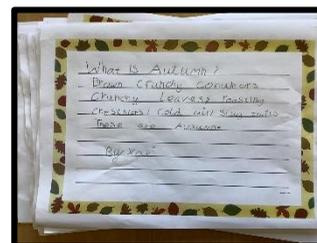

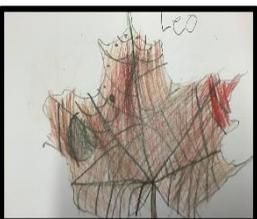

**Reception** This week in maths we've been comparing and exploring patterns, the children went on a pattern hunt around the school, taking photos and discussed when a pattern repeats. In literacy we've been looking at firefighters and exploring rhyme, we have read lots of books spotting words that rhyme and noticing the similarities between them. We've also been finding out about harvest and food banks this week and why it's important to help people in need.

**Year 1** This week we had a Multiskilling session with the Sport Partnership. We practiced our ABC skills, A for Agility, B for Balance and C for Coordination. The children had a wonderful time taking part in the different activities.

**Year 2** This week we have used our sentences and thought about adjectives to describe Autumn. We used our ideas to write our own poem which we performed to our class. In art we sketched autumn leaves. What beautiful colours!

During this half term we have been discussing in class how to stay safe on-line and how important it is to involve our grown-ups with what we are doing. We watched three videos about Jessie and her friends and how they learn to keep themselves safe on-line. If you would like to watch the videos again with your child, please use this link:
